

Drug and Alcohol Rehab Center in Thailand Continues To Grow

By Position Front Page International Co., Ltd

Dated: Aug 30, 2010

Breathing Space Thailand, a drug and Alcohol addiction rehabilitation center located near Chiang Mai, Thailand, continues to grow and is pleased to announce the arrival of three new staff members.

Breathing Space Thailand continues to grow and as a result and in order to give their clients the very best in service and care recently added three new staff members.

Breathing Space Thailand would like to take this opportunity to welcome, Naranchaya Sriburapar, Craig Plant, and Sharon Peters to their team.

Naranchaya Sriburapar - Clinical Psychologist, is one of Northern Thailand's most respected clinical psychologists and addiction specialists. She holds a B.S. in Psychology and a M.S. in Counseling Psychology.

Craig Plant - Addiction Councilor, is an accomplished substance misuse recovery practitioner with a background in drug addiction treatment services and residential settings in the UK.

Sharon Peters – Addictions Therapist, has over 10 years experience working in addiction treatment, both in government and private settings in the UK and at some of the UK's most well-renowned residential addiction treatment providers.

More information on the three new members of the Breathing Space team can be found at <http://www.breathingspacethailand.com/professional-staff.php>

A lot has been happening lately at this northern Thailand drug and alcohol addiction rehab center and it is all good. But it really comes as no surprise. The company directors really do care about the facilities, staff, care quality and their clients. When a company makes that effort their success is assured.

Breathing Space Thailand, <http://www.breathingspacethailand.com> continues to grow, and they have a solid formula in place to help them achieve their goals - High Quality Care, High Quality Facilities, High Quality Staff those three attributes define Breathing Space Thailand.
